3. C2C-CC-related activities

Is your company or institution ...

a) ... manufacturing systems and/or components for communication in the 2/5 GHz range?

Yes No

Your information & comments

b) ... manufacturing software for ad-hoc (in particular inter-vehicle) networking (mechanisms and protocols)?

Yes No

Your information & comments

c) ...manufacturing active safety and traffic efficiency systems based on these technologies and/or deploying/operating them?

Yes No

Your information & comments

d) ...offering services and products relevant for cooperative ITS?

Yes No

Your information & comments

e) ...doing research and development in related areas?

Yes No

Your information & comments

If research, cite some of your publications relevant to C2C communication:

4. Motivation & Contribution

Mail: contact@car-2-car.org | **Phone:** +49 531 231721-10

Please outline the motivation and interest of your company / organisation for applying the active C2C-CC membership at the current point of time:

Please outline the added value based on the intended contribution of your company / organisation to the C2C-CC for achieving its objectives:

Membership Questionnaire

CAR 2 CAR Communication Consortium

c/o ITS mobility GmbH
Hermann-Blenk-Straße 22 a
38108 Braunschweig
Germany

Please outline your competences and your intended contribution for the competence group topics you are interested in:

APP Application

covers applications and application facilities, specifies technical requirements

COM Communication

defines and specifies physical layer, the media access layer, the network layer and the transport layer

ARCH Architecture

covers ITS communication architecture, addresses cross-layer issues and coordinates related activities

SEC Security and Privacy

develop appropriate security and privacy countermeasures

SIM Simulation

develops a simulation platform with guidelines to choose the right simulator for problems to be explored

Membership Questionnaire

CAR 2 CAR Communication Consortium

c/o ITS mobility GmbH
Hermann-Blenk-Straße 22 a
38108 Braunschweig
Germany

Please outline your competences and your intended contribution for the competence group topics you are interested in:

RD Roadmap for Deployment
considers and provides proposals for a technical roadmap towards a deployment strategy for ITS in Europe

DEPLOY Deployment
defining the detailed technical profiles of deployment phases, maintaining specifications and addressing operational issues

CA Compliance Assessment
defining the process and requirements for CA based on the technical profiles

DEMO Demonstration
Ad-hoc group preparing and executing public demonstrations

Standardisation is performed at European level in close cooperation by ETSI and CEN.

Information related to Art. 13 of the European General Data Protection Regulation (GDPR)

1. Data protection declaration

The data protection declaration of the CAR 2 CAR Communication Consortium can be found on the homepage: <https://www.car-2-car.org/privacy>

2. Responsible authority and purpose of data processing

The applicant agrees that the CAR 2 CAR Communication Consortium, c/o ITS mobility GmbH, Hermann-Blenk-Straße 22 a, 38108 Braunschweig, Germany, Phone: +49 531 231721-10, Fax: +49 531 231721-19, E-mail: contact@car-2-car.org, as responsible authority of the personal data collected from the membership questionnaire, processes and uses these personal data solely for the following purposes:

- contacting the applicant in case of open questions on the information provided in the application form (first name, last name, phone, email)
- informing the applicant about the assessment of the candidacy (first name, last name, phone, email).

3. Receiver of the data

The CAR 2 CAR Communication Consortium fosters international cooperation and private data might be transferred to experts of Consortium members being located in third countries not guaranteeing a private data protection level comparable to Europe.

A transfer of data to third parties outside the Consortium, with except of the processers named in the data protection declaration, as well as the use of the data for advertising purposes, shall not take place.

Place + date

4. Duration of data storing

The data will be stored for the duration of the application process; if the applicant becomes an active member of the Consortium, the data will be stored for the duration of the membership. After termination of the membership, the personal data will be deleted following the end of the legal retention period. After termination of application process, if the applicant doesn't become active member of consortium, the personal data will be deleted.

5. Rights of the applicant

The applicant a) is entitled to obtain information of the responsible authority about whether concerned personal data are processed; if this is the case, then the applicant has the right of information about these personal data (Art. 15 GDPR), b) has the right of rectification in case of personal data wrongly gathered (Art. 16 GDPR), c) has a right to erasure of the personal data (Art. 17 GDPR), to limitation of processing (Art. 18 GDPR), of appeal to a supervisory authority (Art. 77 GDPR) and to data portability (Art 20 GDPR).
